## **PRESIDENTS MESSAGE**

### PRESIDENTS REPORT - NOV 2025

Christmas is nearly upon us and the first half of the season is almost over. It has been stressful for the selectors who have had difficulty filling the 3<sup>rd</sup> team on both Wednesdays and Saturdays with so many players unavailable each week. Thank you to all of the selectors who have tried to keep all teams as competitive as possible. We knew it was going to be a hard season due to the loss of experienced players. Please remember to be courteous when speaking to our selectors. Without selectors there will be no teams and no games. At present our selectors are reticent to contact players who are demoted because of unpleasant reactions from some players. This is extremely disappointing as we are now a small club and we all need to be considerate of others. Please consider how your comments affect others. **Be Kind!**

### **Functions:**

We have several functions booked prior to Christmas. I will be looking for members to help out with these at times. Most people are at the Club to have a fun time; it can also be fun for the helpers too. I will be making up a list of functions for people to put their names down to help.

### **Xmas Mingle:**

Hoping to see Members at the Christmas drinks and Xmas Raffle Draw. All Members who attend will be eligible for a free ticket in the Jackpot Lottery; come along you may be the lucky winner. We will be drawing a ticket until the jackpot is won! We need everyone to put their names on the list on the bar if they are attending to help with catering.

### **Merry Christmas**

On behalf of the Board, I would like to wish every Member a very Merry Christmas and a Happy New Year.

**Sue Allen**

## FROM THE SECRETARY

# ..CLUB CENTENARY..

Members are advised that in May 1926 the Holdfast Bay Bowls Club was established with membership open only to men! The Club certainly has progressed since those early times with the advent of women bowlers and the introduction of croquet.

At the Board of Management meeting on 27<sup>th</sup> October 2025, discussion was held on how best the Club can celebrate it's 100<sup>th</sup> Birthday in 2026 and in this regard a working party has been established to toss ideas into the ring.

Ideas such as a formal dinner, an informal day of a bowls using the ancient bowls we have in stock, perhaps a bowls/croquet game played together, a breakfast or a lunch and so the ideas compound.

Any member who thinks he or she would like to add themselves to the working group, please contact our Secretary, Heather. Or you can simply let her know of an idea you may have.

A photo from way back. Can you identify any players.

#### “Celebration of Life”

Members are advised of the recent passing of our Life Member Shirley who was a much respected and loved Member of our Club for more than 50 years, contributing throughout this time as a player, an administrator and a willing volunteer.

She was privately buried next to her late husband Rich last Friday.

A Celebration of Shirley's life and achievements was held on :

### ☐ Resuscitation & Defibrillator Refresher: A Vital Evening

More than twenty members attended the Club's resuscitation and defibrillator refresher on Thursday night, 6th November. The session was led by two enthusiastic and knowledgeable trainers from the Seacliff Surf Lifesaving Club, who delivered an engaging and informative presentation.

Attendees were surprised to learn how much the recommended procedures have evolved—making the refresher not only valuable but essential. It was a night well worth attending, with practical insights that could make all the difference in an emergency.

### ☐ Did you know?

The Club has a **defibrillator and first aid kit** located in the **north-western corner of the foyer**.

## GREENS REPORT

It's been a great drop off rain last Saturday 28mm

A green is coming along extremely well, the end is slowly covering in. With continuous fertilisation and salt flushing.

It would be fantastic if we had consistent warm weather. But overall ok. Looking to change direction prior to the Christmas functions

B green is also slowly knitting over well. The clubhouse end is has been fertilised and salt flushing as well.

D green is in outstanding condition with the amount of play, also be fertilised.

Croquet courts. More applications of herbicide to control the poa ( winter grass) have been applied. But when it rains, the poa germinates again.

Fertiliser and a fungicide was applied yesterday. Christmas break, will endeavour to scarify 2 ways, to remove the algae and the most important thing to reduce the seed bank of poa.

Machinery issues

The clubs roller has broken down. Which needs to be repaired

The price of new roller is \$10K

The to replace the drive roll, pics below is approximately \$2500.

I pulled apart the roller to see to issue, if the club choses to replace the drive roll, I will rebuild it.

## BOWLS MANAGER REPORT

### **Bowls Report 24<sup>th</sup> November 2025 Pennants:**

Saturday: All 3 side's games were washed out on 22<sup>nd</sup> November. Div 1 match to be played on Friday 28<sup>th</sup> November at Somerton. All 3 sides play at home on Saturday 29<sup>th</sup> November. This will be the last home game until 10<sup>th</sup> January.

Ladder positions are as follows: Div 1 10<sup>th</sup>/10. Div 4 6<sup>th</sup>/10. Div 6 9<sup>th</sup>/10.

∴ - - -

Wednesday: Div 1 and Div 3W Sides played away on 19<sup>th</sup> November.

Unfortunately Div 4 Central E had to forfeit the game against Ascot Park due to lack of players. This is the second forfeit in a row and one more forfeit means we would have to

## OUR SPONSORS ARE FABULOUS PLEASE SUPPORT THEM

withdraw the team. Graeme Gaunt is confident we should be able to field a team this Wednesday. The Conditions of play state that 3 forfeits in a row means withdrawal of that team.

Ladder positions are as follows: Div 1 10<sup>th</sup>/10. Div 3W 9<sup>th</sup>/10. Div 4 Central E 9<sup>th</sup>/10.

Thursday: Because of Nationals being held in Tasmania for 3 weeks the Ladies Premier side has had to play 2 Tuesday games during this time because of State Representatives being unavailable.

Last week we did not play Tuesday or Thursday but this week we play Tuesday 25<sup>th</sup> November at Port Noarlunga and then play Brighton at home on Thursday 27<sup>th</sup> November. Ladder positions are as follows: Div 2W 10<sup>th</sup>/12. Premier 7<sup>th</sup>/10.

### **State Pairs:**

We are hosting Metro State Pairs Sectionals on Sunday 30<sup>th</sup> November. We will have 12 men's pairs= 24 players and 12 ladies pairs= 24 players = 48. Each pair will play 3 games 9.30am, 12.30pm, 3.00pm. Each game has a 2 ½ hour time limit. Spectators welcome.

### **Club Championships:**

Thanks to President Sue for deciding what championship games we will have. The main goal is to achieve a male and female champion to represent Club Holdfast. Bill Lawless and Paul Griffiths will organise a draw.

**Lesley Carey - Bowls Manager**

## **CROQUET MANAGER REPORT**

### **CROQUET REPORT NOVEMBER 2025**

We have four new members. Graham and Glenda Dandy, Monica Curtis and one other.

Pennant matches are nearly complete for this year. 24+ have had a difficult year mainly because they are against players on much lower handicaps.

9+ on Thursdays came 2nd on the ladder .

12+ came second.

The 9+ on weekends was about the middle of the field.

A big thankyou to Mary Lemm and her helpers for the work they have done on the garden outside the Bowls Office. Well done. Its is much improved.

Also a thankyou to the members who help with setting up the hoops on Wednesday morning especially to Terry who often helps. Also thanks to the Friday players who bring in the hoops on Friday afternoon when asked.

### **Croquet Office Garden Appreciation**

Rob, Mary, and Rae have dedicated a significant amount of time and effort to transform the office garden into a spectacular space. Their hard work over the past few weeks has truly paid off, creating an inviting environment for everyone to enjoy.

The photo showcasing these dedicated individuals reflects their commitment and teamwork in bringing the garden to life. It's also important to recognize any additional helpers who might have contributed to this splendid achievement.

Roger Zeuner's appreciation of this initiative emphasizes the collaborative spirit that makes such projects successful. The growth and beauty of the garden can enhance the office atmosphere and provide a refreshing break for everyone

involved.

### **Hand Dryers**

These have been installed and are operating well.

The paper litter was a big volume in our rubbish bin.

This cost as well as the towels themselves will offset the installation cost.

### **Profitability**

The club is running and has always used a return on sales margin of 60%. This is the industry standard.

We are undertaking a bench marking exercise to establish where our club is in relation to others for pricing.

### **Coopers**

They have offered the club incentives to promote their products.

We now stock Pale Ale, Dark Ale, 3.5 Dry and Australian Lager as well as Zero.

Lager has a 400ml for the price of 375ml promotion.

The club will now run a \$6 price promotion for members for 3.5 Dry for the month on December.

Would you like to try some?. See me at the bar
