PRESIDENTS MESSAGE

PRESIDENTS REPORT – OCTOBER 2025

BOWLS:

Bowls has commenced and after 3 rounds we have not had much success overall. As mentioned at our bowls meeting it will be a difficult year trying to field strong teams in all grades. Please try to stay positive and support each other.

It has been frustrating time for the selectors. Please give them as much support as you can and keep your complaints to a minimum. If you have an issue with bowls selection please approach the selectors in a polite manner and put your issue to them in the appropriate way.

LIVING CHOICE PROJECT:

My letter to Council on the 11th October regarding the Living Choice Project has now had a response which unfortunately does not give us any positive information. It is just stating they will be putting a report to Council for consideration in the near future. The near future for Council most likely to be a long way off!

It is very disappointing that they are taking a long time to look into this project, almost 9 months since our presentation to the Council.

MUSIC SESSIONS:

The Music Sessions on a Sunday are still going ahead – next session is Sunday 16th November from 2-5pm with a 60's band "The Travellers". To make this successful it would be great if members could support this by making up tables with family and friends.

Please ring the club to book table by speaking to Heather or Sue. It is only \$10 each for a fun afternoon.

CANCER COUNCIL BREAKFAST:

The ladies held a pre-practice breakfast to raise money for Breast Cancer last Tuesday. I am pleased to let everyone know we raised approximately \$200 which will be donated to the Cancer Council. Thanks to those who attended.

FROM THE SECRETARY

..CLUB CENTENARY..

Members are advised that in May 1926 the Holdfast Bay Bowls Club was established with membership open only to men! The Club certainly has progressed since those early times with the advent of women bowlers and the introduction of croquet.

At the Board of Management meeting on 27th October 2025, discussion was held on how best the Club can celebrate its 100th Birthday in 2026 and in this regard a working party has been established to toss ideas into the ring.

Ideas such as a formal dinner, an informal day of a bowls using the ancient bowls we have in stock, perhaps a bowls/croquet game played together, a breakfast or a lunch and so the ideas compound.

Any member who thinks he or she would like to add themselves to the working group, please contact our Secretary, Heather. Or you can simply let her know of an idea you may have.

SAVE A LIFE

Learn how to use a defibrillator in an emergency situation

This session has been postponed on a couple of occasions, but it definitely will be held on the following date and time.

The Club has a defibrillator located in the front foyer mounted on the wall. It is imperative that members have knowledge on how to use it

For that reason, Helen Kotz has organized for a trainings session on how to use the defibrillator

GREEN KEEPER REPORT

CROQUET MANAGER REPORT

We had to cancel the Resus and Defib lecture due to sickness but Zac Cowan HAS reschedule

TO THURSDAY 6TH NOVEMBER 2025. IT IS IMPORTANT FOR PEOPLE TO ATTEND.

PENNANTS.

24+ is having a difficult time as the opposing teams have lower handicaps than Holdfast Bay but the other two teams on Thursday and Saturday are having some wins and some losses.

We were invited by Desley and Colin to join them for a barbecue and game of croquet at their new home at Dover Gardens. They have set up a mini croquet court with six holes but the weather was not good with rain and thunder so that limited playing time. We had a good afternoon of fellowship and good food.

The weeds on court 1 have improved and Brad (greens keeper) is trying hard to eradicate them.
